

Wayzata Boulevard (County Road 112) between Wolf Pointe Trail and Wayzata Boulevard West will be closed during Corn Days. This will affect festival attendees coming from the east (in the metro area), as one of the primary available exit and routes to Saint George not be open on August 11 and 12.

During this time, there are ways around the closure to include taking the official detour and alternate routes. Here are the different routes available to get to Saint George.

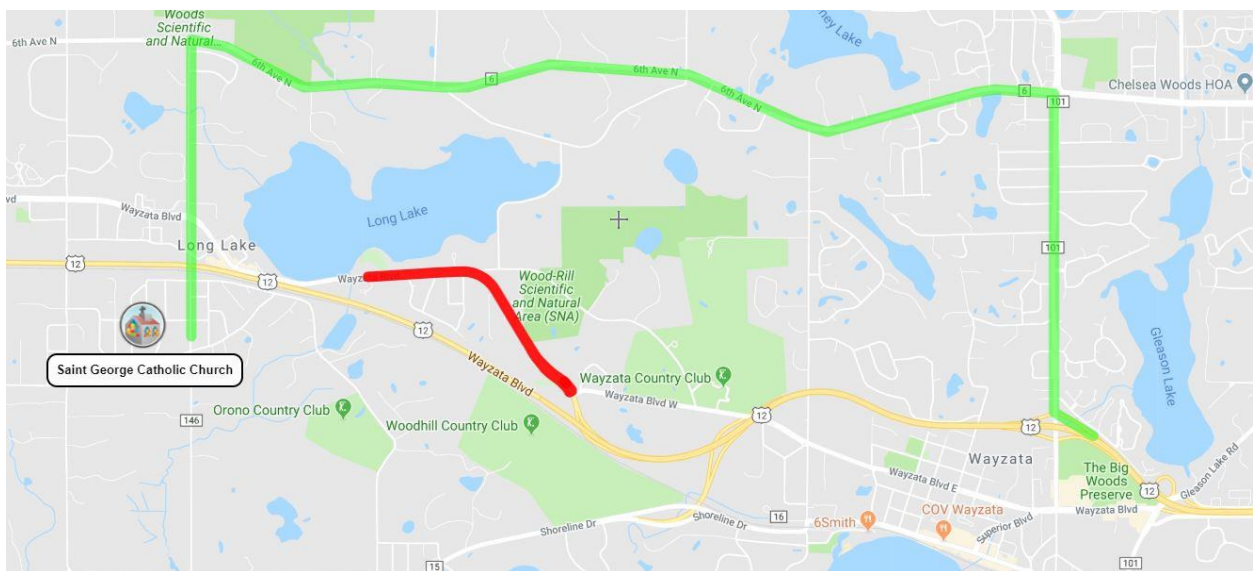

### Official detour

Head down Highway 12 (westbound), and use the second Wayzata Boulevard exit. Head straight through the intersection onto Wayzata Boulevard (eastbound), and continue on this road until the Brown Road (County Road 146) intersection. Turn right onto Brown Road (southbound) to get to the event.

### Alternate routes

1. Head down Highway 12 (westbound) and use the County Road 101 (north) exit. At the County Road 6 and 101 intersection, turn left onto County Road 6 (westbound). Head west on County Road 6 and turn left onto Brown Road (southbound) to get to the event.

- Head down Highway 12 (westbound), and use the County Road 15 (west) exit. Continue to head west on Shoreline Drive until you reach Orono Orchard Road. Turn right onto Orono Orchard Road (northbound) and take the first left onto Fox Street (westbound). Head west on Fox Street and turn right onto Brown Road (northbound) to get to the event.
